Hi Stephanie,

Thank you, I appreciate it. Yes, the requests are related. However, I want to look at the air permits myself because I used to do air enforcement and I have another facility where the air pollution caused ground water contamination that we gave the company an order for. I want to give a recommendation to my management based on what I know from my other case.

Thank you again,  
 Jenny

Hi Jenny,

I've attached the voided air permits and Staff Reports for Wolverine World Wide, Inc. – The Tannery (B2979) at 181 N. Main Street, Rockford MI and for Wolverine World Wide – A, F, Sole Factories (B2980) at 465 Wolverine, Rockford, MI.

Erin Newman made the same request last week. Any chance it's related?

Thanks!  
 Stephanie

Hi David and Danny,

Who is the permit scientist/engineer for Michigan? I need an air permit for Wolverine in Rockford, Michigan. They made shoes there (I don't think it is operating anymore), but I want to see what it says. Is someone here today who can pull it for me?

Thank you,  
Jenny
